

St Peters Nursery Unit

We would like to wish you and your family a happy and peaceful new year.

What we will be leaning

We will learn the names of different birds and their songs.

We will be painting robins, penguins and Jack Frost for our wall displays. We are going to make bird food to hang outside, we hope the birds will enjoy it! We will investigate water as it freezes and melts and we will be making flavoured ice-cubes!

We will be learning all about Chinese new year, the year of the Rabbit and how Chinese celebrate this through role play, dressing up in traditional Chinese costumes, making and tasting Chinese food and using chopsticks to eat with.

We will be experimenting and painting Chinese symbols and leaning that red is a lucky colour in China.

World of owls

Mike is paying us a visit on the 24th of January. He will be bring us all his different owls to see and teaching us interesting facts about them.

Big Bedtime Read

The children will be getting a book bag every other week, we ask that they are returned on the Monday and please can you make sure these books are cared for.

Sickness

With the amount of children that were sick before the holidays. If your child has a temperature or has vomited or had diarrhoea please keep them off for 48 hours. If they are prescribed an antibiotic keep your child off until finished the antibiotic as a relapse usually occurs and they benefit from the rest. This helps reduce the spread of infection in nursery. thank you.
