

St Peter's Nursery Unit

Our Themes

Our themes for February are Babies, Teeth, Senses, Chinese New Year and Birthdays.

Babies

We will be having a baby clinic; the children will take on the roles of looking after the babies. They will be busy feeding, dressing and walking the babies. The babies will be kept very clean with all the children making sure they are washed daily in the water tray.

Teeth

We will be looking at and talking about our teeth - especially what we need to do to keep them healthy. We are continuing with our healthy eating at snack time. We brush our teeth daily in nursery as part of our daily routine.

Birthdays

Everyone loves a birthday and the children love to talk about their birthday. We will be putting ribbons, bows, candles and bun trays at the dough table. We will also be learning some new songs to sing at our next birthday Party.

Chinese New Year

We will be doing Chinese art and dressing up in Chinese clothes and looking at the different kinds of food they eat and how they eat it, talk about where they live and look at different pictures of Chinese towns and how they celebrate there new year.

Senses

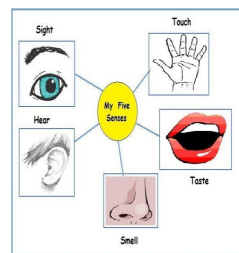

The children will be discussing our five senses. They will talk about what it would be like if we could not use them. Various activities will be provided to allow the children to use specific senses. The children will be experimenting with various smells, textures and tastes. They will tell us what they like and dislike

Happy Birthday
We would like to wish Fiachra a very happy birthday

School Closed

Monday 14th to Friday 18th February
for Mid Term Break.

February 2022

Songs and Rhymes

Rock a by baby

Roses are red

I love you

If you love me

This is the way we
brush our teeth

Eight big fingers

Rock the baby

Pat a cake

Mix a pancake

All the little milk
teeth

5 white1 teeth
