

St Peter's Nursery Unit

Our Themes

Our themes for May are Under the sea, mini beasts and people who help us .

During the month of May our themes are Under the sea, Mini Beasts and People Who Help Us.

Mini Beasts

We will be having real caterpillars, we are going to be feeding them and watching them grow into butterflies, we will be making butterfly and ladybird displays and doing lots of paintings of all different mini beasts.

There will be lots of books, posters and plastic mini beasts for the children to look at and we will be going on a mini beast trail to look for real ones, this should be fun!!!

People who Help Us

In this topic we will learn about the different roles of people who help us in school from the lollipop lady to the cooks who make our dinner and listen to the different jobs people do in the community such as, a nurses, doctor etc

Under the sea

We will be learning the names of the sea creatures and all about the different sea-life. We will be exploring this in the water and sand tray. We will sort shells for colour, pattern and shape, creating lots of sea-life with various paint and glitter.

All about Honey and Bees

We will be having a visit in nursery from a bee keeper who will show us how honey is made. We look forward to seeing him and learning all about honey and bees.

In our school garden

- ♣ The children will be planting flowers, fresh herbs, strawberry & tomato plants.
- ♣ The children will be planting sunflowers and cress seeds to take home.
- ♣ The children will be exploring the garden to find mini beasts with magnifying glasses.
- ♣ The children will learn how to care for plants especially their sunflowers which they planted.

People Who Help Us
in the Community

Songs and Rhymes

Creepy crawlies & itchy things

The Ant go marching

Ladybird, ladybird

Miss Polly had a dolly

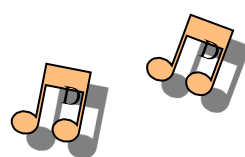

Once I caught a fish alive

There's a worm at the bottom of the garden

Little Arabella Miller

Here is the beehive

Big ship sails on the alley alley O'

Outside

With the weather getting sunnier we will be playing more outside. We have sunhats to protect us from the sun but if you want to bring your own hat that is fine. Please remember to put on sun cream to avoid sunburn. **COULD YOU MAKE SURE THAT ALL JUMPERS HAVE NAMES ON THEM.**

School Trip

Our school trip is on Friday 17th June to the playshack in Cookstown leisure centre and McDonalds. A letter will follow with details and price of trip.

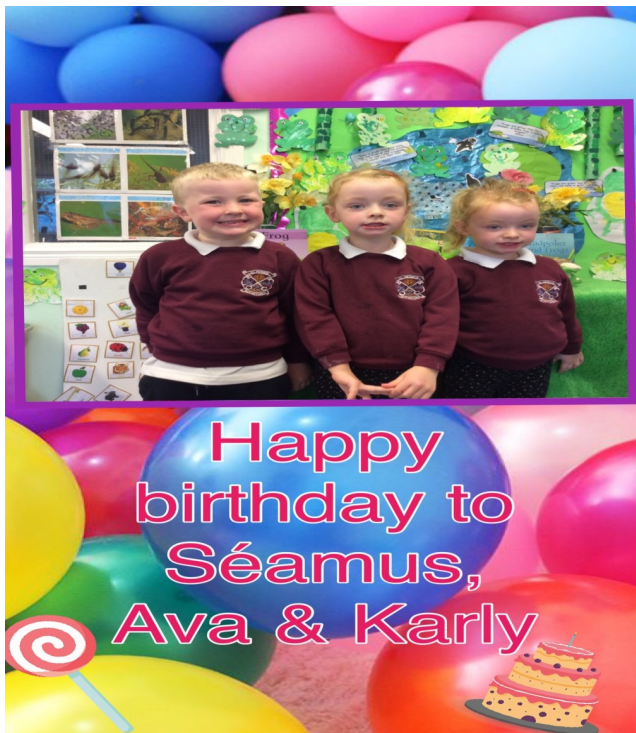

Photographer

The photographer will be coming to the school on Friday 20th May.

Happy Birthday

HAPPY BIRTHDAY

School Closed

Monday 30th May to Friday 3rd June
