

# St. Peter's Nursery Unit

## October 2022

### Our Themes

During the month of October we will be learning about 'Investigating Autumn', Halloween, fruit & vegetable. The colours which we will be looking for are orange and brown.

We will have an autumn table during October; children can bring in items such as leaves, acorns and conker for the table. Our shape of the month is a square.

### Dinner Time

Children will be starting dinners on 2nd October. **For the first two weeks the children will be going home at 12.30pm.** From the 16th October children will go home at **1.15 to 1.30pm**. The reason for this staggered home time is so that 26 children are not going home at the same time. The dinner menu will be on the school app at the beginning of each month.

Please pay dinner and snack money on a Monday morning.

### Halloween

We will be very busy preparing for Halloween during the next few weeks. We will be creating masks, ghosts and making chocolate witch apples and getting the nursery ready for Halloween.

### Coats

As the weather is getting colder, please make sure your child brings a warm, zip-up coat every day. The children will be outside most days in the cold and sometimes in the rain. The child's name should be written on his/her coat and you should encourage your child to put it on themselves. As much of our play takes place on the grass, please make sure that your child wears waterproof footwear or they can leave wellie boots in the nursery - canvas shoes do not keep the water out.

### Optician

We would encourage you to book a sight test for your child. All children under 16 (including pre-school) are entitled to free NHS sight checks. Children might not know if their eyesight isn't perfect, but you might notice them sitting closer to the TV, rubbing their eyes or blinking a lot, or holding objects close up to their face. Regular sight checks will monitor both their vision and eye health, and should be carried out at least every 2 years. The earlier a problem is picked up, the better the outcome - why not book a test today?!

### Seesaw

Could all parents please ensure that they are connected to seesaw so that you can access messages and photos which are posted online

October  
2023

### Songs and rhymes

Five Little Leaves  
Conkers, conkers  
Oh I love to jump in the leaves  
Flutter, flutter  
Here is a tree  
I Have A Little Spider  
Halloween  
There's A Wide Eyed Owl  
Would You a Slice of My Apple Tart?  
Incy wincy spider  
Here is a witch  
Harry the Hedgehog

## Language Development

We are encouraging the children to "use their words" when they need help from an adult. We are also working on "good looking" at the child or adult who is speaking. Please encourage your children to "listen" to an instruction and then to follow it. These skills are essential for children to develop in their learning.

## Soothers / dummies

Children of nursery age no longer need to use a dummy or bottle. Continued use will result in unclear speech and misaligned teeth.

## Early Intervention and Transformation Programme

Research shows that 3-4 years old is an important stage in a child's development and learning. Early identification of needs is important. As part of the 'Educare' process, the 3+ Health Review involves parents / carers in completing a questionnaire and then to attend a short interview with the Health Visitor. These meetings will be held in St Peter's Nursery Unit (dates to be confirmed). Please return all questionnaire by 13th of October.

## Spare Clothes

**We would like to remind parents that all children should have a spare change of clothes in their bag each day.  
Please ensure that every item**

## Happy Birthday

We would like to wish  
the boys and girls a  
very happy birthday

We hope you have a  
brilliant day.

You can bring in a cake  
on your child's birthday

## Dates to remember

Parent teacher meetings will take place on **Wednesday 25th and Thursday 26th October**.

Parents will be given a time to meet their child's teacher. At this meeting the class teacher will discuss with you how your child has settled on return to school, their progress this year and any areas for development.

Teachers/parents will be required to adhere to the 10 minute slot allocated as interviews are tightly timetabled.

**Please note that on these two days -nursery children will be collected at 12.20pm.**

On **Friday 27th October** we will be having our Halloween celebrations and the children can come in to school in their Halloween costumes. At 10am we would like to invite our parents to come up to school to view our Halloween parade which will take place in the playground if the weather is favourable. Look forward to seeing you all there!

**Please note that on this day nursery children will be collected at 12.20pm.**

### **Fitminds**

**The cost of fitminds is £20.00 per child. This is a weekly activity which runs to Christmas**
